THE FOX MACHINE CO., 339 N. FRONT STREET, GRAND RAPIDS, MICH.
Low Water Alarms. Planing Machine Knives.

McKINNON MANUFACTURING CO.

Boiler-makers, Founders,
AND MACHINISTS,
Bay City, Michigan.

Boilers, Engines, Water-space Burners,
Peerless Grate Bars, Ship Yard
and Special Machinery.

This is the only burner designed that fully meets all the requirements for burning mill refuse with the least annoyance and expense.

The lower or straight portion of this burner is composed of two shells with a space between the two for water, thus doing away with any and all brick lining. We have bought the right from the patentee and are the only authorized parties to build this burner. Write us for estimates and references.

BAY CITY, MICH., March 4, 1885

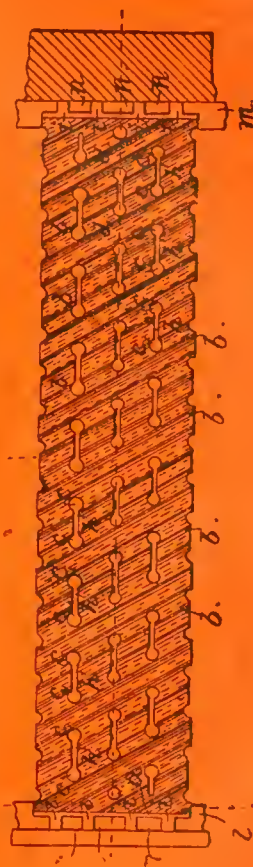

McKINNON MANUFACTURING CO., BAY CITY:

Gentlemen: This is to certify that we have been using your Patent Saw Dust Grate Bar for one year. When we decided to give your Grate a trial, we put in Grates made by several other firms, so as to adopt some one make of Grate which would be satisfactory. We found your Grate to be always clean, did not warp, and to burn more saw-dust, and in all points superior to any other Grate we have tried. We cheerfully recommend your Grates to all steam users.

Respectfully,

L. L. HOTCHKISS & CO.

These Grates are in general use in Michigan Saw Mills.

LOG TURNER

MANUFACTURED BY

THE CHAMBERLAIN MANUFACTURING CO.

It is no longer an experiment.

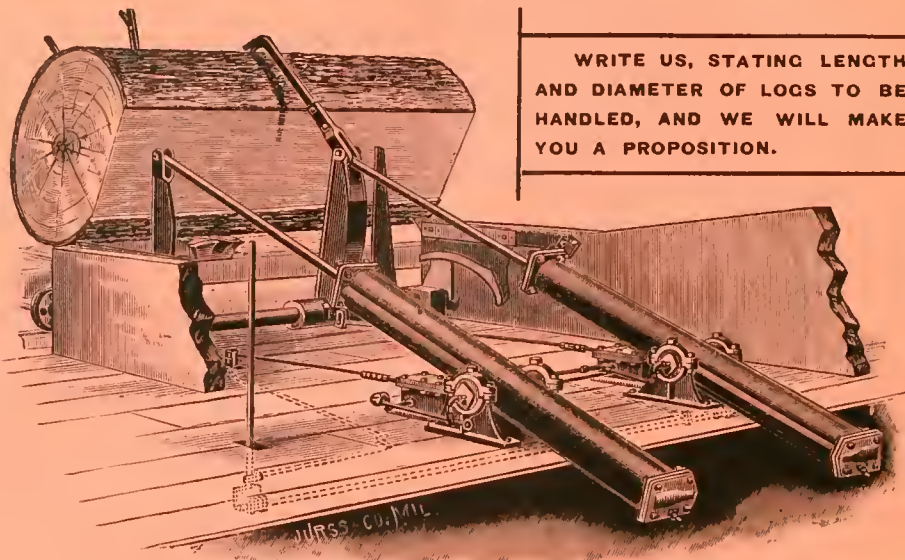

It is in operation.

It is a complete success.

Our Log Turner does not INJURE the LUMBER nor break the head-blocks or mill frame. By a motion of the operating lever it INSTANTLY converted into a LOG LOADER. It is the only Log Turner and Loader that can be applied to a portable mill, and do heavy work. It is well adapted to large and long timber. Is the quickest machine known to turn a log from the knees, or outward. Requires no space below the floor timbers. Being propelled by the direct action of steam, its possibilities for speed are limited only by the skill of the operator.

**MILWAUKEE,
WIS.**

WE GUARANTEE SATIS-
FACTION OR NO SALE.
